The Pawnee City Public Library was selected by the Pilcrow Foundation to receive the Children's Book Project Grant. This grant is a 2 to 1 grant, which means we had to fund one-third of the amount through local sponsors. The Pawnee City Public Library Foundation generously contributed \$400. Due to this contribution, the library received over \$1200 worth of new hardcover books. An additional twenty-one math & science books were donated by

Mr. Hal Berenson and Mrs. Laura Ackerman. Sixteen health and wellness books were donated by Drs. Bill Strawbridge & Meg Wallhagen, and two books were donated anonymously with the quote "All the world's children are our children." We are very grateful to receive this wonderful grant and add these wonderful additions to the library for our young patrons to enjoy.

It is the mission of the Pawnee City Library to provide resources for all people in their pursuit of life-long learning, access to information, and the enjoyment of reading. We strive to be a vital asset/support to the community, businesses, and government.

**All programs sponsored by the Pawnee City Public Library are FREE of charge.**
